

Where to Rent Cross-Country Skis and Snowshoes

Crater Lake National Park

Rim Village Gift Shop	541-594-2255 ext. 3300 Rim Village		✓

Adult snowshoes are \$15/day. Kids snowshoes are \$10/day. Hiking poles are \$3/day. Gear must be rented and returned during business hours. Overnight rentals are permitted. Rentals are not available when the road to Rim Village is closed (about 20% of the time in the winter, during periods of heavy snow). Snowshoes may be reserved by phone, but generally don't need to be: there are 35 pairs of adult MSR Evo 22" snowshoes, 15 pairs of kids MSR Tyker 17" snowshoes, and 20 sets of hiking poles. 6" tails can be added to the adult snowshoes for additional flotation at no cost. Note: Renting snowshoes is not necessary for the park's ranger-guided snowshoe walks, during which snowshoes are provided free of charge.
